D	Insignificant/detrimental	good	fair	poor	bad

Notable features:

This is a nice little group which might be rehabilitated. Number 840/844 is a small auto repair garage; the others are occupied and neatly kept. There is a sallyport at 852. Below 814, at 812/802, is the four-story burned out industrial warehouse. The houses east of this are back buildings of 10 N. Fremont.

Environmental context:

Below the garage there are empty lots at 838, 834-814, with a one-story garage at 836. Vacant lots here and across-street require a plan -- a redesign that may incorporate the Fairmount houses.
